SPRING TERM 2027
EVENT ENTRY FORM

As a School Sport Partnership, we know the competitions and events your children attend provide an ideal environment to encourage personal development.

Pictured below are 6 values, alongside a series of short descriptors. These values have been created nationally, based on input from children and young people.

You will note that each event has been categorised in one of two ways:

1) An individual 'focus' value has been assigned to the event. As such, the school group/team that best embodies this value during the event, will be presented with a value certificate and badges for participating children.

2) All six values are pictured alongside an event. During these events staff will be given a full compliment of badges. We ask that staff and children identify individuals/teams who display any of these values during the event, awarding badges accordingly. There are no formal arrangements in place for this and so please feel free to award your badges at the end of fixtures, during any breaks etc. Badges can be awarded to other pupils, teams, officials or staff.
